About This Game

Jump into the frenzied action and the whacky humor of a pure 2.5D side-scroller!

While they were going to their old high school for what was supposed to be the party of their life, four long-time friends end up in a ghost town full of monstrous creatures.

Alone or in cooperative mode (4 players online and 2 in local play), survive hordes of monsters ready to skin you alive and achieve unique and varied objectives throughout huge and non-linear levels. Choose your character, knock out high-scores and thoroughly explore each stage to gain experience and reach higher levels. Find new weapons, improve your skills, unlock new special moves and devastating powers... and achieve increasingly impressive combos to outdo your friends' high-scores.
